Sir,

Ref: This Office proceedings dated 15-9-39 and Coimbatore District Health Officer's R.O.C.No.1181/39, dated 25-9-39.

**

On receipt of reports about the outbreak of plague from the Revenue Divisional Officer, and the Plague Inspector, Kollegal, the town of Kollegal was declared plague-infected, in this office proceedings dated 15th September 1939. The Revenue Divisional Officer, has taken

all precautionary measures for effectively arresting the spread of the disease with the help of the Tahsildar and the Panchayat Board Special Officer, Kollegal. Out of the 7 attacks, reported up to the 19th September, in Kollegal Town, 5 proved fatal. The Revenue Divisional Officer, considers that necessity will arise to order the evacuation of infected villages. In that case, hutting materials have to be provided under S.O. 20 of the Plague Standing Orders contained in the Appendix to G.O. No. 1130/P.H., dated 19-3-38. I have permitted the Revenue Divisional Officer, to incur expenditure up to a limit of Rs. 200/- in this regard.

It is also reported that there have been ratfalls in the village of Doddinduvadi and Nuttur and some attacks in the latter village. All commodities which are taken out of ~~the~~ Kollegal town have to be disinfected. The Plague Inspector, Kollegal cannot attend to this work as he is engaged in the work of inoculating the inhabitants of ~~the~~ Kollegal town along with the Assistant Surgeon and the Lady Sub Assistant Surgeon. A special Plague Inspector is therefore, necessary to attend to the disinfection of grains and other commodities which leave Kollegal Town and also to look to the systematic fumigation of the villages around Kollegal and to take other preventive measures in the taluk. The District Health Officer, Coimbatore, reports that he has appointed an additional Plague Inspector who knows inoculation work and a peon to work under him. Under S.O. 10 of the Plague standing Orders I have sanctioned the employment for a period of three months, from the date of appointment, of ^{one} ~~the~~ Plague Inspector and a peon to work under him. The services of this special staff will be dispensed with at any time earlier if there is no need for ~~the~~ ^{its} continuance.
